LABEL INFORMATION

SLEEK BEESWAX & MINK OIL FURNITURE POLISH

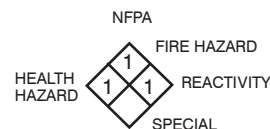

This product cleans away dust, fingerprints, stains and smudges. Leaves behind a beautiful, long-lasting shine. Replaces essential oils to any neutral or treated wood surface. Restores color and luster to fine woods without the rubbing required with a paste wax. Eliminates scratches and blemishes. Beeswax provides high gloss. Mink oil helps resist water rings and protects fine woods. Excellent for furniture, woodwork, cabinets, and any exposed wood surfaces.

DIRECTIONS: Carefully follow all manufacturer safety recommendations. Shake well before using. Hold container 6–8 inches from surface. Spray lightly and wipe immediately. Do not allow product to dry before wiping. To polish irregular or hard to reach surfaces, spray directly onto cloth and wipe surface.

DANGER: Flammable Aerosol. Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Dispose of contents and container in accordance with local, state, and national regulations.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane (68476-86-8), Naphtha (Petroleum), light alkylate (64741-66-8), Petroleum distillates, hydrotreated light (64742-47-8), Polysiloxane (63148-62-9).
