

DRAIN DEMON

THICK ORGANIC BUILD-UP ELIMINATOR

DESCRIPTION

DRAIN DEMON has a unique thickened formula which clings to sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic build-up, grease and food by-products in hospitals, nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, and septic tanks. Contains seven strains of non-toxic bacteria. **Note:** This product performs best within a pH range of 5.5 – 8.5. Optimal temperature range for maximum effectiveness is 54° – 113°F; effective up to 212°F. Extremes of pH and temperature, as well as wide shifts in either parameter over a short period of time should be avoided. Cold temperatures reduce the effectiveness of the product and no bacteria activity can be expected below 40°F.

APPLICATIONS

Use in grease traps, sewer lines, drain lines, down pipes, septic tanks, portable toilets, recreational vehicles. Also great for deodorizing carpet.

FEATURES & BENEFITS

- Clinging formula digests fats, oils and greases (FOG)
- Pleasant fragrance/odor control
- Reduces suspended solids
- Non-toxic, non-acid, non-alkaline, non-polluting, non-pathogenic, biodegradable

SPECIFICATIONS

FORM: Viscous Liquid
ODOR: Floral
COLOR: Opaque Pink
DETERGENCY: Excellent
TOXICITY: N/A
WETTING ABILITY: Excellent
STORAGE STABILITY: 1 Year +
COLD STABILITY: 32°F
PHOSPHATES: None

BOILING POINT: 212°F
FLAME EXTENSION: N/A
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.00
% VOLATILE BY VOLUME: 100%
pH: 8.5
PROPELLANT: N/A
EVAPORATION RATE: Slow
BIODEGRADABILITY: Yes

LABEL INFORMATION

DRAIN DEMON THICK ORGANIC BUILD-UP ELIMINATOR

Unique thickened formula clings to sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic build-up, grease and food by-products in hospitals, nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, and septic tanks. Non-Toxic • Non-Acid • Non-Alkaline • Non-Pathogenic • Non-Polluting. Reduces Suspended Solids.

DIRECTIONS: SHAKE/STIR WELL BEFORE USE. **GENERAL ODOR CONTROL:** To eliminate odor caused by vomit, spoiled food, decomposed animals, waste receptacles, etc., spray directly on malodor and allow bacterial action to work. The added fragrance will quickly neutralize any odor.

CARPET DEODORIZING AND ORGANIC WASTE: Apply directly to malodor and allow bacterial action to work. The added fragrance will quickly neutralize any odor. **GREASE TRAPS:** Pour directly into sink or pipe closest to trap, typically at night. Flush down with a cup of lukewarm water. Use 4-5 oz. daily for traps less than 20 cu. ft. For larger traps, use 8-10 oz. daily.

PORTA-TOILETS: Directly add 1 gallon and cover the solids with water. Repeat each time toilet is pumped.

SEPTIC TANKS: Add 1 pint per 25 cu. ft. for initial treatment. Then use 8 oz. per week. Pour directly into toilet. If tank is clogged and odorous, add 1 gallon directly through tank manhole.

DRAIN LINES AND DOWN PIPES: Use 4 oz. for each 2 inches of pipe size 2-4 times weekly.

RECREATIONAL VEHICLES: Initially use 2 oz. per gallon of water. Maintain at 1 oz. per gallon of water. For use at a dump station, use 1 gallon per 50 gallons tank capacity. Maintain at 1 pint per week.

CERTIFIED SALMONELLA AND E. COLI FREE.

CAUTION: Keep out of reach of children. Do not ingest. If swallowed, induce vomiting. Avoid eye contact. Avoid contact with open wounds.

CONTAINS (CAS#): Water (7732-18-5), Bacteria Concentrate (N/A), Nonionic Surfactant (68439-46-3), Fragrance Oil (N/A).
