ZenaSpot Solve

Carpet Spot Solvent ZENEX NUMBER 494555

DESCRIPTION

A powerful solvent that lifts and dissolves oil base stains and spots. Its fast drying formula allows for use of fabric without long-term downtime.

FEATURES AND BENEFITS

ZenaSpot Solve removes tough stains while leaving no residue with its fast drying formula.

APPLICATIONS AND USES

ZenaSpot Solve is used to lift out and dissolve stains that are oil based in carpeted materials.

DIRECTIONS FOR USE

Shake well before using. PRE-TEST on inconspicuous area for color-fastness. If color transfers to cloth, do not continue use of this product. Remove any dry soils. Insert extension tube into spray head for controlled application. Apply directly on the stain or soiled area. Gently blot with clean white cloth to remove soil. Repeat if necessary for more stubborn soils. Dirt or stains not completely removed should be blotted with a wet cloth or sponged with a light film of soap suds.
