ZenaLube Red

Red Grease

ZENEX NUMBER 496885

DESCRIPTION

ZenaLube Red is a multi-purpose lubricant that provides extra protection under extreme pressures. It maintains constant viscosity over a wide range of temperatures.

FEATURES AND BENEFITS

Sprays like a liquid and sets quickly to a grease. Prevents rust. Holds up under extreme pressures and high shock loads. Temperature range -40°F to +575°F. Resists water and even steam washout. Red color is easy to identify.

APPLICATIONS AND USES

For use on industrial bearings, even in chemical service, electric motor shafts, truck and tractor fifth wheels, roller chains, agricultural hitches, heavy equipment bearings surfaces, cables, pulleys, automotive hinges, and striker plates.

DIRECTIONS FOR USE

Shake well before using. Spray at 8 to 10 inches distance. Liquid will gel almost instantly. Gel dries to a grease in several minutes.

SIZE / AVAILABILITY

- 16 oz. Aerosol
- Net Weight 11 oz.
- 12 per case
