GREENSCAPES OXYGENATED CLEANER & DEGREASER is a concentrated heavy duty cleaner, degreaser, deodorizer and stain remover. Contains hydrogen peroxide, biodegradable surfactants and degreasers. For use on walls, floors, tile, vinyl upholstery, metal, porcelain, concrete, and counter tops. Removes grease, oil, grime, soap scum, lipstick, wax, food stains and dirt. Excellent for use as general purpose carpet spotter. Can also be used as a pre-spotter on soiled clothing prior to laundering. Follow dilution chart for specific cleaning jobs. Leaves no residue, rinses freely with water. Contains no caustic or harmful solvents.

DIRECTIONS FOR USE:

GENERAL CLEANING AND DEGREASING: LIGHT SOIL: Dilute 2 to 4 ounces per gallon of cold tap water. MEDIUM SOIL: Dilute 6 to 8 ounces per gallon of cold tap water. HEAVY SOIL: Dilute 10 to 12 ounces per gallon of tap water. Apply to surface, let stand 2 minutes to loosen soil, agitate if necessary with a scrub pad or brush, rinse and let air dry.

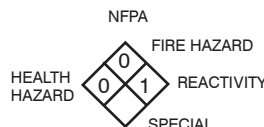

For use as a carpet spotter, pre-test in an inconspicuous area to test for color fastness. Dilute 4 to 6 ounces per gallon of tap water or 2 ounces per quart of tap water. Spray on soiled area. Let stand for a minute. Blot with a clean white towel. Do not saturate the spot. Repeat if necessary.

WARNING: Causes eye irritation.

Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.
