

PRODUCT TECHNICAL DATA SHEET

SW826 Grill and Oven Cleaner

DESCRIPTION: The No. 826 is a heavy-duty formulation that works on grease, caked-on foods and other cooking soils for daytime application or overnight cleaning. An effective product that is safe for use on porcelain, glass, ceramics, stainless steel & cast iron surfaces. This formula penetrates, emulsifies and holds the soils so you can wipe the surface clean with water. The thick foam application clings to vertical surfaces and won't run or drip.

USES: Excellent for cleaning grills, rotisseries, stove burners, electric fry pans and other cookware that is resistant to caustics.
